Thanks for joining us Friday for the conversation with EPA's Chemical Enforcement Branch. The slides from the program are attached. Please let Larry or I know if you have ideas for future Friday Forum speakers or topical programs. Best, Irene

P.S. if you aren't already a PCRRTK committee member you can join the committee through the ABA Section of Environment, Energy, and Resources (SEER). Annual SEER membership dues are \$75 for ABA lawyer and affiliated professional members. Law students can join SEER for free. ABA membership is a prerequisite to join SEER.
